# Highlights

### Unique epilation system

The epilation discs remove 4x shorter hairs than wax (0,5 mm) at the root. No need to wait until the next waxing session.

### Gentle tweezing discs

As your skin needs protection while removing hair, this epilator head features round, gentle tweezing discs.

### Sensitive area cap

Small areas to reach? Armpits, bikini areas? Use the sensitive area cap to gently remove the hair from

your sensitive areas with ease. Get smooth skin up to the tiniest detail.

### Shaving head

Versatile, the epilation head can be replaced with a shaving head for a quick and easy on-the-go shave.

### Skin stretcher

An innovative feature designed to tighten the skin for a more gentle epilation.

### Wet & Dry use

Being cordless and fully waterproof, this epilator can be used in the bath or under the shower for perfect convenience.

### Washable epilation head

This epilator has a washable epilation head. The head can be detached and cleaned under running water for better hygiene

### Ergonomic grip

The rounded shape fits perfectly in your hand for comfortable hair removal

### Cleaning Brush

Small cleaning brush to remove loose hairs from the epilator discs.
